

myCode/UserInterface.h

```
graph TD; A[myCode/UserInterface.h] --> B[Button.h]; A --> C[Display.h];
```

The diagram illustrates a header file dependency. At the top, a gray rectangular box contains the text 'myCode/UserInterface.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left to a white rectangular box containing the text 'Button.h'. The right arrow points diagonally down and to the right to another white rectangular box containing the text 'Display.h'. All boxes have a thin black border.
